

Every Child Matters

Every Child Matters: Change for Children is a new approach to the well-being of children and young people from birth to age 19.

At St Joseph's, our aim is for every child, whatever their background or their circumstances, to have the support they need to:

- Be healthy
- Stay safe
- Enjoy and achieve
- Make a positive contribution
- Achieve economic well-being

This means that staff at St Joseph's will work together with other organisations to protect our children from harm and help them to achieve what they want from life.

You can be assured that everyone here will work hard to make sure this happens
