BICYCLES & SCOOTERS

It is great to see so many children coming to school on their bicycles and scooters. Parents and carers are reminded of the following information:-

- The school has no responsibility for the theft of or damage to bicycles or scooters.
- Bicycles and scooters should not be ridden on the school premises.
- At the end of the school day, they should be pushed along the path to prevent collisions with people on their way home.

Thank you for your co-operation.
