

LUNCHES

Children may have school meals, bring packed lunches or return home for their meals. School lunch is prepared in our kitchen for children who require a hot meal. The price of school meals is £8.00 per week. Payment is due on Monday. Please send money in an envelope clearly marked with the name of the child, their class and the amount of money. Cheques should be made payable to KMBC. We ask children bringing a packed lunch to bring it in a lunch box clearly marked with the child's name. Drinks are provided. You may be entitled to free school meals and information can be obtained from the Student Grant Department at KMBC.

FRUIT AND MILK FOR INFANTS

A free piece of fruit is given to the infant children each day. Milk is also available free to children.
