5th September 2018

FOREST SCHOOL

Dear parents and carers,

Your child will be taking part in Forest School activities, starting on Monday 10th September. Forest School is an inspirational process that offers ALL learners regular opportunities to achieve and develop confidence and self-esteem through hands-on learning experiences in a woodland or natural environment with trees.

Every Monday afternoon from 10th September until 15th October, half the class (Group 1) will take part from 12:30 until 2:30 while the other half of the class (Group 2) remain in school to focus on learning in other areas of the curriculum. These groups will then rotate from 29th October until 3rd December.

Children will be active, engaged, excited and will get wet and muddy. Children will need to bring the following to school with them in a bag when they are involved in Forest School activities:

- A pair of wellington boots or walking boots or old training shoes
- A change of socks (in case they get wet)
- Long trousers (leggings or tracksuit bottoms, but not jeans)
- Long sleeved top
- Waterproof coat (waterproof trousers if possible)
- Hats, gloves and an extra top should be worn on cold days

If you would like any additional information, please contact me in school as I will be leading most of these activities on the school field or at Stadt Moers Park.

Yours Sincerely,

C. Newstead
