5<sup>th</sup> October 2018

### FOREST SCHOOL GROUP 2

Dear parents and carers,

Your child will be taking part in Forest School activities every Monday afternoon for 6 weeks, starting on Monday 29<sup>th</sup> October. Forest School is an inspirational process that offers ALL learners regular opportunities to achieve and develop confidence and self-esteem through hands-on learning experiences in a woodland or natural environment with trees.

Children will be active, engaged, excited and will get wet and muddy. Children will need to arrive in school on Monday mornings dressed in their school uniform and bring the following to school with them in a bag:

- A pair of wellington boots or walking boots or old training shoes
- A change of socks (in case they get wet)
- Long trousers (leggings or tracksuit bottoms, but not jeans)
- Long sleeved top
- Waterproof coat (waterproof trousers if possible)
- Hats, gloves and an extra top should be worn on cold days

The activities will include forest exploration, building and lighting fires, tying knots and putting up a shelter or hammock. We will be walking to Stadt Moers Park for some of the activities and others will take part on the school field. If you would like any additional information, please contact me in school.

Yours Sincerely,

C. Newstead
