Friday, 11th September 2020

Dear parents/carers,

SCHOOL READING BOOKS AND HOMEWORK

From Friday 18th September, each class teacher will begin to send books home for each child. Reading is such an important part of the children's learning which is why we are so keen for the children to take books home.

The children's books will be sent home with their reading record each Friday. We are asking all families to read the same book with their children over the weekend, and on Monday evenings, before returning them to school on a Tuesday, with their reading records.

Reading books and records do not need to be brought in book bags, this will assist us in reducing the spread of any illnesses. We ask that only the reading records and books are brought to school each Tuesday, where they will then be placed in an isolated box for 48 hours before being swapped, ready to hand out again each Friday.

The same process will begin for homework the following Friday, 25th September, with all children bringing their homework back the following Tuesday. Again, homework does not need to be brought back in book bags.

Please stick to these days and rules. In keeping this strict routine, we can ensure that all books are safe to hand out to different children each week.

Yours sincerely

Mr Newstead
Head teacher
