

Remote Education Policy for St Joseph's Catholic Primary School

1. Statement of School Philosophy

St Joseph's has always strived to support our parents/children in the best way possible to make learning purposeful and holistic. Our strategy for remote learning continues this.

2. Aims

This Remote Education Policy aims to:

- Ensure consistency in the approach to remote learning for all pupils (Inc. SEND) who aren't in school through use of quality Online and offline resources
- Include continuous delivery of the school curriculum, as well as support of Motivation, Health and Well-Being and Parent support
- Consider continued education for staff and parents (e.g. CPD, Supervision and Meet the Teacher)
- Support effective communication between the school and families and support attendance

3 .Who is this policy applicable to?

- A child (*and their siblings if they are also attending St Joseph's Catholic Primary*) is absent because they are awaiting test results and the household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal.
- A child's whole bubble is not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.

Remote learning will be shared with families when they are absent due to Covid related reasons and not to all at the start of the week.

5. Home and School Partnership

St Joseph's Catholic Primary School is committed to working in close partnership with families and recognises each family is unique and because of this remote learning will look different for different families in order to suit their individual needs.

Where possible, it is beneficial for young people to maintain a regular and familiar routine. St Joseph's Catholic Primary School would recommend that each 'school day' maintains structure

We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration. If you or your child have any questions about the work set please get in touch via Tapestry, See-saw or email the school at stjoseph@knowsley.gov.uk.

Every effort will be made by staff to ensure that work is set promptly. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on case-to-case basis.

All children sign an 'Acceptable Use Policy' at school which includes e-safety rules and this applies when children are working on computers at home.

6. Roles and responsibilities

Teachers

To note: the suggested responsibilities below relate to where a whole class/bubble is isolating and would be reduced when it is fewer children isolating and the majority of the class are in school.
