

### Holy Communion

Our Year 5 children who made their Holy Communion last Saturday were an absolute credit to their families and the school. Not only did they all look wonderful but their behaviour was impeccable.

My first proud Head teacher moment. Well done children!

### Stone Age Man

Archaeologist - Dr John Hill visited year 3 with real artefacts from the Stone Age! We handled the tooth of a megalodon and a cave bear's skull. We each made fire with iron and flint, examined a stone axe for cutting down trees and imagined life as a medicine man. Dr Hill taught us so much and showed us many more interesting artefacts from the Stone Age.

## Football

Well done to the children who represented our school on Wednesday. Mrs Connolly and Mrs Brown were impressed not only with your football skills but also your behaviour on the day. Remember football training is every Monday night. I am looking forward to seeing how our children learn and develop over the next few weeks and look forward to seeing who represents our school at the next match. Never give up!

## Reminder—Bikes & Scooters

Please ensure that the children do not ride their bikes and scooters down the paths in school. Please ask children to walk the bikes and scooters down the path and into the bike shelter and the same going home. Please wait until they are out the gate before getting onto their bike.

Thank you for your support with this I am sure you can understand the need to keep everybody safe.
