

**Our Mission statement at St Joseph's encompasses our ethos and values:**

Inspired by Jesus, we grow closer to God through prayer and worship. We always do our best and show respect, love and care for everyone.

**Year 6**

What a week for our wonderful year 6 class. They have had their last full week with us here at St Joseph's and what an emotional week it has been.

On Wednesday Father Anton helped celebrate the time Year 6 spent with us here at St Joseph's. The whole school joined together and the children were an absolute credit to all their families. The singing and the responses were wonderful.

Year 6 ended the week with a fabulous Leavers assembly—all their own creation. Well done everybody it was a great opportunity to see all those extra talents the children don't always show in school—the fabulous dancing, acting and we even had some comedians. Well done Year 6.

Everybody here at St Joseph's would like to thank Year 6 for a wonderful end to the week.

**Mini Vinnies Charity Day**

A reminder that on Monday 22nd July we ask the children to come into school wearing own clothes but including something yellow in honour of Zoe's Place (something small as a token for example yellow socks, a yellow ribbon, a hair slide—please do not go to any expense and buy something new for the day.)

We would ask the children for a £1 donation or any amount that you feel happy to give. Reception will hold a special 'Superhero Day' on that day with more information to follow from

Miss Fitzpatrick.

### Year 1 & Year 2 Singing Concert

Thank you to all the children who performed so well at the concert this afternoon to show their parents the wonderful songs they have been learning with Mr Townley. The children sang with enthusiasm and joy—they sounded wonderful.

### School Bags

Before the end of the school year I would to appeal to parents not to buy large bags for the children for school—we have very limited space in cloakrooms and the backpacks are sometimes bigger than the children!! The purple bags are ample for the reading books and we can store them safely in classrooms. Also I know they will try to convince you to buy pencil cases etc—the children do not need any stationery for school—we provide all pens, pencils, felt tips etc. Don't fall for it if they say they need them we provide everything they need.
