### **Sharing Sunday's Gospel with parents/carers.**

In this Sunday's Gospel, we hear about Jesus starting to gather together the first Christian community. Christian communities (just like families) are never perfect - even Jesus' closest disciples weren't always the ideal set of people. However, everyone works better with others in community. Our schools and parish communities were founded to be places of love, friendship, security and inclusiveness.

People in the past answered Jesus' call to form our Catholic school communities which now welcome and support us and our children. Now it's our turn to continue the work, to build on and develop the warm and loving community of our school - together. Enjoy a special time together this evening, hearing your child's thoughts about this Sunday's Gospel and this Wednesday's word, which is **COMMUNITY**.

### **A Word from the Saints**

"Whatever gifts and talents we are given by God are to be shared with the entire community."

St Baldwin of Canterbury
